BiteNot™

Felines & Small Animals

- Provides body-only coverage; do not use cervical collars to protect eyes, ears, feet, or lower portion of legs
- Ideal for extended use
- Allows for full peripheral vision
- Handy stabilization strap in assorted colors

Our Feline BiteNot™ protective cervical collar provides body-only coverage to our feline friends and is ideal for long-term or continuous use. The stabilization strap fits under the front shoulders, creating a base for additional support.
